Dear Mr. Drasnin:

WNET's Publishing Department has recently completed the educational guide that was developed for THE AMERICAN EXPERIENCE series and we would very much like to thank you for you assistance on this project. At Robert Miller's request I am forwarding to you a copy of the guide which has since been distributed to 65,000 high schools and junior high schools as well as to 15,000 public and college libraries.

We hope you find the enclosed materials of interest and we thank you again for your support.

Sincerely,

Natasha Mostert
